## PUBLIC HOUSING BILL 2020

---

### Explanatory Memorandum

1. This Bill is promoted by Mr Baker MHK on behalf of the Council of Ministers.
2. The Bill has one purpose, to revoke the Sale of Houses Regulations 1958 (GC 6/58) made by the Governor. The effect of these Regulations would have been to impose positive covenants on the sale of public sector housing with regard to maintenance and the repayment of mortgages. The latter provisions are inconsistent with the later, more generous, provisions on the sale of public sector housing under (e.g.) the First Time Buyers' Scheme. In addition, so far as is known, none of the covenants in the Regulations has ever been enforced.
3. Clauses 1 and 2 provide for the citation and commencement of the resulting Act.
4. Clause 3 provides that the Regulations, and an amending set of Regulations made in 1981, are to be treated as having been revoked on 1 January 1982.
5. In the opinion of the member moving the Bill its provisions are compatible with the Convention rights within the meaning of the Human Rights Act 2001.
