

## COMPETITION BILL 2020

---

### Explanatory Memorandum

1. This Bill is promoted by Mr Martyn Perkins, MHK on behalf of the Isle of Man Office of Fair Trading.
2. *Clauses 1 and 2* deal, respectively, with the Short Title and Commencement of the resulting Act.
3. *Clause 3* defines key terms used in the Bill. This clause, along with the preceding two clauses, constitutes Part 1 of the Bill.
4. *Clause 4*, which commences Part 2 of the Bill, prohibits persons from entering into any arrangement that would have the effect of preventing competition within any market for goods or services. The prohibition is not limited to arrangements that would prevent competition only in the Island. Accordingly, any such arrangement would be within the scope of the clause, even if it is meant to be acted on outside the Island. The clause also specifies types of arrangements to which the prohibition particularly applies. Any arrangement that defies the prohibition is void to the extent of the defiance.
5. *Clause 5* prohibits conduct on the part of any person that amounts to abuse of a dominant position within any market in the Island for goods or services. It also sets out particular features of conduct any of which, if present, are certain to render the conduct an abuse of a dominant position. For the avoidance of doubt, the clause specifies what constitutes contravention of its subsection (1).
6. *Clause 6* defines the term “anti-competitive practice”. It also provides that an action taken pursuant to any enactment is eligible to constitute an “anti-competitive practice” unless the action’s authorising enactment specifically insulates the action from being so regarded. However, it is specifically provided that a breach of the relevant competition provisions applied to the Island by the Payment Services (Competition) Regulations 2015 constitutes an “anti-competitive practice”. Additionally, the clause empowers the Council of Ministers to amend by order the provision in respect of the aforementioned 2015 Regulations.
7. *Clause 7* expressly applies to public authorities the prohibition on engaging in an anti-competitive practice. This application is made subject to clause 8.
8. *Clause 8* empowers the Council of Ministers to, by regulations, grant exemptions from the prohibition of “anti-competitive practice” on the grounds of public policy. Any such regulations are subject to approval by Tynwald. The exemptions may be either absolute or subject to conditions, and may also be time limited. No such regulations may be made unless the Council of Ministers has consulted with and had regard to the views expressed to it by OFT and has

published written notice of its intention to do so. Changes in circumstances or failure of the exempted person to abide by the conditions of the exemption could lead to revocation or variation of the exemption, in either case done by the Council of Ministers. For this purpose, the Council of Ministers must keep under review the actions of the exempted party with a view to ensuring that the terms of the exemption are being complied with. Any proposed change to or revocation of the exemption must have been preceded by compliance with the rules of natural justice.

9. *Clause 9*, which is the first clause of Part 3 of the Bill, empowers OFT to carry out investigations. This investigative power is meant to be used to ascertain whether an anti-competitive practice is being carried out or the terms and conditions attached to an exemption issued under clause 8, or imposed under clause 25(5)(b) as a consequence of a merger, are being observed. It may also be used where OFT believes that the market is not functioning in the interests of consumers or the economy. OFT is required to make its own rules of procedure regarding the conduct of its investigations. The clause also empowers OFT to request and/or accept undertakings from people it has investigated or is investigating. The occasion for this would arise where OFT finds evidence of an anti-competitive practice but concludes that adherence to any alternative practice would redound to detriment of the Island's economy. The party being investigated may offer an undertaking to OFT and, should OFT accept the undertaking (which OFT is expressly authorised to do), thereby cause the investigation to be terminated.
10. *Clause 10* confers specific investigatory powers on OFT. OFT may by notice require a person to produce specified information, require a person to attend at a specified time and place for the purpose of being interviewed, or require a person to give any assistance relevant to the investigation that the person is in a position to provide. An officer authorised by OFT may obtain from a justice of the peace a warrant enabling the officer to search premises at which the officer has reasonable grounds to believe information relevant to the investigation is being stored. When executing any such warrant, the authorised officer must be accompanied by a constable and may be accompanied and assisted by any person whose expertise the authorised person considers pertinent. A person who, in the course of an investigation, is required to produce information is insulated from any obligation to supply that information if the person would have been entitled to refuse to produce it in the course of civil proceedings before the High Court. Any other default in compliance with a request may be the subject of an application to the High Court by the Attorney General, whereupon the High Court may make such order as it thinks fit to ensure that the default is made good. A person's failure to comply with a requirement imposed on the person under the clause is made an offence.
11. *Clause 11* empowers OFT to conduct joint investigations with any Department or Statutory Board that has regulatory powers, or with a competition authority in another jurisdiction (pursuant to a memorandum of understanding between OFT and that competition authority). The Council of Ministers is empowered to

by order extend the powers under the Bill to any Department or Statutory Board, with any modifications it considers necessary. Such an order is subject to Tynwald approval, and the extension made by such an order will result in the extended powers' being held concurrently with OFT. The concurrent holding of powers will, the clause stipulates, require OFT and the other holder to consult with each other before any of them takes action in exercise of the powers.

12. *Clause 12* empowers OFT to either suspend or abandon an investigation once it reveals that an offence under the resulting Act may have been committed. It also provides that such a revelation obliges OFT to hand over the attendant evidence to the police or any other person that has responsibility for enforcement with respect to the offence in question. If an OFT investigation has been suspended, OFT may resume its investigation only upon having been notified that the criminal investigation has been completed.
13. *Clause 13* empowers OFT to accept from any person an undertaking that it believes will correct an identified market malfunction or result in the discontinuance of an anti-competitive practice in which the person is engaging. OFT is required to signify its acceptance of the offered undertaking by notifying the offerer. The proposal to accept the offer of an undertaking must be published by OFT, as must the eventual acceptance of the undertaking. OFT must thereafter monitor whether the terms of the undertaking are being complied with. Variation of the undertaking is permitted if circumstances so warrant; also permitted is the release of the person from the undertaking if doing so is appropriate. Provision is also made for a new undertaking to supersede one that is no longer fit for purpose.
14. *Clause 14*, which commences Part 4 of the Bill, empowers OFT to make an order (for any of specified purposes) where an investigation conducted by it under clause 9 concludes that a market is not functioning in the interests of consumers or the economy. The overriding objective of the order is to rectify the identified deficiency. Before making any such order, however, OFT must have made a decision regarding any undertaking offered to it under clause 13.
15. *Clause 15* supplements clause 14 by delimiting the extra-territorial reach of an order under clause 14. For the order to have extra-territorial reach, it has to apply to someone with a British connection of one of the specified types ("a British person"). Once such a connection is present, the order will extend to a British person's relevant acts or omissions committed outside the Island.
16. *Clause 16* stipulates that, before an order under clause 14 is made, OFT must publish a written notice that complies with listed specifications.
17. *Clause 17* provides that failure to comply with an order under clause 14 is an offence triable on information. It specifically provides that this criminalisation does not limit the right to bring civil proceedings in respect of the said failure. It also empowers the Attorney General to make an application to the High Court in respect of the failure, in response to which the High Court may make an order requiring the default of compliance with the clause 14 order to be made good.

18. *Clause 18*, which commences Part 5 of the Bill, empowers OFT (or a Department or Statutory Board, either of which has powers concurrent with those of OFT) to impose disciplinary measures and/or penalties on a person who its investigation reveals – on a balance of probabilities – has engaged in an “anti-competitive practice”. These measures and penalties include the issuing of a public censure, the ordering of restitution and the imposition of financial penalties. Any such action taken may be appealed to the High Bailiff.
19. *Clause 19* empowers OFT (or a Department or Statutory Board with concurrent powers), with the consent of the Attorney General, to apply to the High Court for an injunction to restrain from engaging in an anti-competitive practice a person whom it believes (on reasonable grounds) is likely to so engage.
20. *Clause 20* empowers OFT to make regulations which set out the methodology to be applied in fixing penalties and restitution. Such regulations are required to provide a basis for penalties to be commuted for “whistle-blowers” (a term which the clause defines) and persons who admit their guilt at an early stage and thereafter co-operate with the investigation.
21. *Clause 21* empowers OFT, at its discretion, to submit to the Isle of Man Financial Services Authority (“the FSA”) a report detailing its belief that there is a need (in the interest of protecting consumers) for an individual to be disqualified as a director of a ‘person’ that is a body. This provision applies equally to bodies corporate and bodies unincorporate. On receipt of such a report, the FSA is empowered to take the necessary steps under the *Company Officers (Disqualification) Act 2009*. In proceedings pursuant to that last-mentioned Act, OFT is required to provide evidence in support of the FSA’s application for disqualification.
22. *Clause 22*, which commences Part 6 of the Bill, defines the concept of a “merger”. It also defines the concept of a “joint venture”.
23. *Clause 23* requires any two or more parties that propose a merger to notify OFT of the proposed merger before they take any action in furtherance of it. Such notification must be in the form and manner specified by OFT. Commencing a merger without complying with the notification requirement is an offence, triable summarily. However, liability in respect of such an offence may be discharged by paying a civil penalty. The amount and manner of payment of the civil penalty are to be prescribed in regulations made by the Council of Ministers and approved by Tynwald. Additionally, the Council of Ministers is empowered to take any steps it considers appropriate to mitigate the effects of a merger—
  - (a) that was completed without there having been prior notification to OFT; and
  - (b) in respect of which the Council of Ministers considers there to be exceptional reasons of public policy that demand such mitigation.
24. *Clause 24* sets out the procedure to be followed by OFT once it has been notified of a proposed merger. Specific actions that OFT is required to take are stipulated, depending on whether or not OFT believes the proposed merger

could lead to a substantial lessening of competition in the market. If OFT considers the merger unlikely to lead such lessening, it may authorise the parties to proceed with the merger without complying with any further procedural requirements. However, if OFT believes the merger likely to lead to such lessening, it must submit to the Council of Ministers a report of its findings. The report must set out the reasons for OFT's findings and details of any advice OFT has given to the parties to the proposed merger.

25. *Clause 25* sets out the powers of OFT on receipt of a merger report under clause 24. It confers on OFT the responsibility to conclusively determine whether or not the proposed merger is likely to lead to a substantial lessening of competition in the market. If the determination is that the proposed merger is not likely to do so, OFT must in writing notify the parties that they may proceed with the merger without further reference to OFT. However, if the determination is that the merger is likely to do so, then OFT must either authorise or forbid the merger. Before doing so, however, OFT may investigate the merger and (should it so investigate) must in writing inform the parties of its findings. That investigation may be carried out with the assistance of a third party or, alternatively, by a third party on behalf of OFT. The parties must be kept informed of all developments, including the identity of any third party engaged and the precise role the third party will play. Following the completion of this procedure, the merger that is determined to be unlikely to lead to the substantial lessening of competition in the market may be approved by OFT either unconditionally or subject to specified conditions. Written reasons for any decision taken must be given to the parties to the proposed merger. OFT must notify the Council of Ministers of any conditions subject to which it has approved the proposed merger, and is responsible for enforcing those conditions.
26. *Clause 26* authorises the Council of Ministers to overrule OFT's decision in respect of a merger or proposed merger. This can only be done for exceptional and compelling reasons of public policy, and must be preceded by consultation with OFT.
27. *Clause 27* stipulates that any report produced under Part 6 must be submitted to the Council of Ministers and must be laid before Tynwald. Such reports (which invariably will be produced by OFT) must also be published in such manner as OFT considers appropriate. In preparing reports, OFT is required to consider the extent to which it is necessary to include commercially sensitive information or information about the private affairs of an individual. If the inclusion of any such information is considered necessary, it may only be included in the version of the report submitted to Tynwald. That information must be redacted from the version of the report that is intended for general publication.
28. *Clause 28*, which commences Part 7 of the Bill, makes consequential amendments to the *Fair Trading Act 1996*.
29. *Clause 29* makes consequential amendments to the *Company Officers (Disqualification) Act 2009*.

*Clause 30* provides for the saving of exclusion orders made under section 8(2) of the *Fair Trading Act 1996*.

30. The resulting Act is not expected to result in any additional expenditure being incurred or the need to acquire additional human resources. On the contrary, the resulting Act stands to accrue to the benefit of the general revenue of the Island *via* the imposition (in appropriate cases) of financial penalties for which the Bill provides.
31. In the opinion of the member moving the Bill, its provisions are compatible with the Convention rights within the meaning of the *Human Rights Act 2001*.

9 arrangement prohibited by subsection (1).
- 10 (4) For the purposes of this Act, a person is considered to be in

21 the prejudice of consumers or any class or description of

24 other trading parties, thereby placing them at a competitive  
25 disadvantage; or

28 nature or according to commercial usage, have no connection  
29 with the subject of the contracts.
- 30 (3) For the purposes of this Act, a person is considered to be in

39 conduct specified in section 5.

3 or in part, the provisions of this Act.
- 4 (3) A breach of the relevant competition provisions applied to the Island by  
5 the Payment Services (Competition) Regulations 2015<sup>3</sup> constitutes an

- 7 (4) The Council of Ministers may by order amend subsection (3).  
8 Tynwald procedure – negative.

## 9 7 **Anti-competitive practice by public authorities**

25 (b) be time limited.
- 26 (4) In order to make regulations under this section, the Council of Ministers  
27 must be satisfied on reasonable grounds that the exemption contained in  
28 the regulations –  
29 (a) is likely to produce a better outcome for consumers or the  
30 economy of the Island;  
31 (b) is necessary for exceptional and compelling reasons of public  
32 policy; or  
33 (c) satisfies paragraphs (a) and (b).
- 34 (5) The Council of Ministers must seek and have regard to the views of OFT  
35 prior to making regulations under this section.

---

<sup>3</sup> S.D. 2015/0205

- 1 (6) The Council of Ministers may not repeal or vary an exemption unless it  
2 has published written notice of its intention to do so. Such publication  
3 must be —
- 4 (a) for a period of not less than 3 months before the date of the  
5 intended repeal or variation; and
- 6 (b) in such a manner as to ensure that it comes to the attention of  
7 persons likely to be affected by the repeal or variation.
- 8 (7) Where a person exempted under this section contravenes any condition  
9 that, in accordance with a provision inserted in regulations by virtue of  
10 subsection (3)(a), is attached to the exemption, the Council of Ministers  
11 may repeal or vary the exemption either of its own accord or at the  
12 behest of OFT.
- 13 This is subject to subsection (8).
- 14 (8) Where the Council of Ministers proposes to repeal or vary an exemption  
15 under subsection (7), either of its own accord or at the behest of OFT, it  
16 must, before doing so, —
- 17 (a) forthwith furnish the exempted person with, and publish, a  
18 written notice —
- 19 (i) stating its intention to repeal or vary the exemption;
- 20 (ii) stating the reasons for that intention; and
- 21 (iii) advising of the time within which and the method by  
22 which the exempted person may make representations to  
23 the Council of Ministers before the repeal or variation takes  
24 effect;
- 25 (b) afford the exempted person the opportunity to make  
26 representations in the manner and within the time set out in the  
27 notice; and
- 28 (c) take into account any representations made.
- 29 (9) Where, following its determination under subsection (8), the Council of  
30 Ministers decides to repeal or vary an exemption, it must —
- 31 (a) in writing notify the exempted person of the decision and, where  
32 applicable, the extent of the variation; and
- 33 (b) publish a written notice specifying the details referred to in  
34 paragraph (a).

35

## PART 3 – INVESTIGATIONS

36

### 9 Investigations

37

- (1) OFT may investigate any matter where it has reasonable grounds to  
38 suspect that a person —

- 1 (a) has been engaging, or intends to engage, in an anti-competitive  
 2 practice;
- 3 (b) has been breaching, or intends to breach, any condition –  
 4 (i) attached to an exemption; or  
 5 (ii) that OFT has imposed, under section 25(5)(b), as a  
 6 consequence of a merger; or
- 7 (c) satisfies paragraphs (a) and (b),  
 8 and must produce a written report of its findings during the  
 9 investigation.
- 10 (2) OFT may investigate any market where it believes, on reasonable  
 11 grounds, that the market is not functioning in the interests of consumers  
 12 or the economy. Such an investigation may be either of OFT’s own  
 13 volition or in accordance with subsection (3).
- 14 (3) The Council of Ministers may request that OFT undertake an  
 15 investigation under subsection (2).
- 16 (4) OFT must make rules of procedure in respect of the carrying out of  
 17 investigations under this section.  
 18 Tynwald procedure – laying only.
- 19 (5) If the outcome of an investigation indicates that –  
 20 (a) an anti-competitive practice has been (or is likely to be) engaged  
 21 in; but  
 22 (b) forbearing to engage in the practice would provide a worse  
 23 outcome for consumers or the economy of the Island,  
 24 OFT may recommend to the Council of Ministers that an exemption be  
 25 granted.
- 26 (6) If, at any point during the course of an investigation, the person being  
 27 investigated offers to OFT an undertaking under section 13, OFT may  
 28 accept this undertaking and terminate the investigation.
- 29 (7) In this section, any power to investigate that is conferred on OFT may be  
 30 exercised –  
 31 (a) by OFT directly and exclusively;  
 32 (b) exclusively by a third party engaged by OFT; or  
 33 (c) jointly by OFT and a third party engaged by OFT,  
 34 but, for the avoidance of doubt, neither the power under subsection (4)  
 35 nor the power under subsection (5) may be exercised by anyone other  
 36 than OFT.

37 **10 Investigatory powers**

- 38 (1) OFT may, by notice in writing, require –

- 1 (a) a body corporate to furnish an authorised officer with any  
2 information required for the purposes of an investigation, within  
3 such timescale as may be specified; or
- 4 (b) an individual (whether identified by name or by position) to  
5 attend at a specified place and time to be interviewed and answer  
6 questions.
- 7 (2) An authorised officer may apply to a justice for a warrant to enter and  
8 search, in the course of an investigation under this Part, any premises in  
9 which the authorised officer has reasonable grounds to believe  
10 information pertinent to the investigation is being stored, and such

32 proceedings before the High Court.
- 33 (6) If a person makes default in complying with a notice under subsection  
34 (1), the High Court may, on the application of the Attorney General,  
35 make such order as the court thinks fit for requiring the default to be  
36 made good, and any such order may provide that all the costs or  
37 expenses of and incidental to the application will be borne by the person

- 31 (ii) an authority which has regulatory powers,  
32 in another jurisdiction.
- 33 (2) Joint investigations may be carried out equally or with a single party  
34 leading and the other supporting, and the decision on which of those  
35 methods to use must be made on a case by case basis by OFT and the  
36 Department or Statutory Board concerned.
- 37 (3) The Council of Ministers may by order extend powers under this Act to  
38 any Department or Statutory Board, and such extension may be subject  
39 to such modifications as the Council of Ministers deems necessary.

- 1 This is subject to subsection (4).  
2 Tynwald procedure – approval required.  
3 (4) Where an extension under subsection (3) is granted –  
4 (a) it may be limited in scope; and  
5 (b) the Department or Statutory Board will hold concurrently with  
6 OFT the powers so extended.  
7 (5) OFT and any Department or Statutory Board holding concurrent powers  
8 under subsection (4) must consult each other before taking any action in  
9 relation to matters covered by those concurrent powers.

10 **12 Procedure where offence detected on investigation**

- 11 (1) Where an investigation under this Part reveals evidence that an offence  
12 under any enactment may have been committed, OFT –  
13 (a) may either suspend or abandon the investigation; and  
14 (b) must, upon acting in accordance with paragraph (a), hand over  
15 the evidence to –  
16 (i) the police; or  
17 (ii) if another person is by law responsible for enforcing the  
18 provisions breach of which constitutes the offence (“the  
19 enforcing authority”), the enforcing authority.  
20 (2) After having acted in accordance with subsection (1), OFT may not  
21 resume its investigation unless –  
22 (a) any investigation commenced by the police or the enforcing  
23 authority (“the criminal investigation”) has been completed; and  
24 (b) OFT has received from the police or the enforcing authority, as the  
25 case may be, written notification that the criminal investigation  
26 has been completed.

27 **13 Undertakings relating to anti-competitive practices and failing markets**

- 28 (1) Where it appears to OFT that –  
29 (a) there are reasonable grounds for believing that any person is  
30 engaging, or has engaged, in a course of conduct which  
31 constitutes an anti-competitive practice; or  
32 (b) a market is not functioning in the interests of consumers or the  
33 economy,  
34 OFT may accept an undertaking offered by any person that OFT is  
35 satisfied is sufficiently connected with the course of conduct or market  
36 malfunction in question. OFT must signify its acceptance of the  
37 undertaking by giving written notice to the person by whom it is offered.

- 1 This is subject to subsection (2).
- 2 (2) OFT must not accept an undertaking offered under subsection (1) unless
- 3 —
- 4 (a) it is satisfied that the honouring of the undertaking would, as the
- 5 case may be, —
- 6 (i) sufficiently modify the course of conduct in question so as
- 7 to remove its anti-competitive effects; or
- 8 (ii) remedy or prevent effects adverse to the interests of
- 9 consumers or the economy; and
- 10 (b) it has —
- 11 (i) arranged for the publication of a written notice complying
- 12 with subsection (3); and
- 13 (ii) considered any representations made to it in accordance
- 14 with the written notice.
- 15 (3) A written notice under subsection (2)(b)(i) must —

- 17 (1);
- 18 (b) identify the course of conduct or market failure which prompts
- 19 the exercise of that power;
- 20 (c) identify the person who OFT believes is engaging, or has
- 21 engaged, in that course of conduct;
- 22 (d) in respect of a course of conduct, identify the goods or services in
- 23 relation to which OFT believes the person is engaging, or has
- 24 engaged, in that course of conduct;
- 25 (e) in respect of a course of conduct, specify the effects (identified by
- 26 OFT as adverse to consumers or the economy) which that course
- 27 of conduct may now or in future have;
- 28 (f) in respect of market failure, set out the reasons why OFT believes
- 29 that the market is not functioning in the interests of consumers or
- 30 the economy;
- 31 (g) set out the terms of the undertaking which OFT is proposing to
- 32 accept;
- 33 (h) identify the person who is offering to give the undertaking; and
- 34 (i) specify the deadline by which representations about the proposed
- 35 undertaking must be made to OFT.
- 36 (4) Once OFT has considered any representation made to it in accordance
- 37 with a written notice under subsection (2)(b)(i), that subsection does not
- 38 apply to the acceptance of a modified version of the undertaking.
- 39 (5) OFT must —

- 1 (a) once it has accepted an undertaking under this section, arrange  
2 for the undertaking to be published in such manner as appears to  
3 it to be appropriate;
- 4 (b) keep under review the carrying out of any such undertaking and  
5 from time to time consider whether —
- 6 (i) by reason of any change of circumstances, the undertaking  
7 is no longer appropriate; and
- 8 (ii) either —
- 9 (A) the person concerned can be released from the  
10 undertaking; or
- 11 (B) the undertaking needs to be varied or superseded  
12 by a new undertaking; and
- 13 (c) if it appears to OFT that the person by whom an undertaking was  
14 given has failed to carry it out, give that person written notice of  
15 that fact.
- 16 (6) If at any time OFT concludes under subsection (5)(b) —
- 17 (a) that any person can be released from an undertaking; or
- 18 (b) that an undertaking needs to be varied or superseded by a new  
19 undertaking,
- 20 it must give written notice to that person stating that the person is so  
21 released, or specifying the variation or, as the case may be, the new  
22 undertaking which in its opinion is required.
- 23 OFT must publish any written notice it gives under this subsection.
- 24 (7) Where a written notice is given under subsection (6) specifying a  
25 variation or new undertaking, the notice must state the change of  
26 circumstances by virtue of which the written notice is given.
- 27 (8) OFT may at any time, by written notice given to the person concerned (a  
28 “subsection (8) notice”) —
- 29 (a) agree to the continuation of an undertaking in relation to which it  
30 has given written notice under subsection (6) (a “subsection (6)  
31 notice”) specifying a variation or new undertaking; or
- 32 (b) accept a new or varied undertaking which is offered by that  
33 person as a result of a subsection (6) notice.
- 34 (9) OFT must publish a subsection (8) notice.

OFT may, if it thinks fit, make an order under this section. Such an order must contain directions to a specified person or persons.

Tynwald procedure – approval required.

8 the notice (that date being not earlier than the end of the  
9 period of 30 days beginning with the day on which the

28 section 18(2).
- 29 (3) If any person makes default in complying with any direction contained

39 association who are responsible for its default.

## PART 5 – SANCTIONS

### 18 Disciplinary measures and penalties

- (1) Where, following an investigation, OFT (or a Department or Statutory Board with concurrent powers) is satisfied, on a balance of probabilities, that a person has done something which constitutes an anti-competitive practice, it may take any of the actions specified in subsection (2).

This power is subject to subsection (2).

- (2) The power under subsection (1) may not be exercised without the consent of the Attorney General.

### 20 Regulations on penalties and restitution

- (1) OFT may make regulations which set out the methodology to be applied in fixing penalties and restitution.

Tynwald procedure – negative.

- (2) Regulations under this section must provide a basis for penalties to be commuted for —

  - (b) those who, at an early stage in an investigation, admit guilt and co-operate with the investigation.

- 1 (3) In this section, “whistle-blower” means a person who informs on an anti-  
2 competitive practice.

3 **21 Disqualification of directors**

- 4 (1) OFT may, when it deems it appropriate based on its findings following  
5 an investigation, prepare and submit to the FSA a report detailing the  
6 need, in the interest of protecting consumers, for an individual to be  
7 disqualified as a director or other officer of a person that is a body  
8 (whether corporate or unincorporate).
- 9 (2) Upon receipt of a report under subsection (1), the FSA may, at its  
10 discretion, take the necessary steps in accordance with section 3 of the  
11 *Company Officers Disqualification Act 2009* to have the individual  
12 disqualified as a director or other officer.  
13 This is subject to subsection (3).
- 14 (3) In proceedings occasioned by the FSA’s taking the steps referred to in  
15 subsection (2), OFT must provide evidence in support of the FSA’s  
16 application for disqualification.

17 **PART 6 – MERGERS**

18 **22 Meaning of “merger”**

- 19 (1) A “merger” occurs for the purposes of this Act when a person, or an  
20 individual who controls a person, directly or indirectly acquires or  
21 establishes control of another person or the business of another person.
- 22 (2) Control of a business or person may be direct or indirect and exists if  
23 decisive influence is capable of being exercised in respect of it.
- 24 (3) In determining whether decisive influence exists, all relevant facts and  
25 circumstances of the case must be taken into account.  
26 This is in addition to the requirement to take into account the ostensible  
27 effect in law of any document, transfer, assignment or other instrument,  
28 act or arrangement.
- 29 (4) A merger also occurs for the purposes of this Act —  
30 (a) if —  
31 (i) a person acquires the whole or a substantial part of the  
32 assets of another person; and  
33 (ii) the result of the acquisition is to place the acquiring person  
34 in a position to replace or substantially replace the other  
35 person in the business in which it was engaged  
36 immediately before the acquisition; or  
37 (b) if a joint venture is created.

- 1 (5) A joint venture is created when a business previously carried out  
 2 independently by two or more persons, or a new business, is carried on  
 3 jointly by those two or more persons, whether or not in partnership or by  
 4 means of their joint control of, or ownership of shares in the capital of, a  
 5 body corporate.
- 6 (6) Without prejudice to the generality of the foregoing, a merger may –  
 7 (a) be achieved in any manner, including –  
 8 (i) by purchase, lease, acquisition of shares or assets, or by  
 9 some other disposition or arrangement or by operation of  
 10 law; or  
 11 (ii) by amalgamation of or other combination between persons  
 12 or their businesses,  
 13 and whether or not the parties to the merger, or their business or  
 14 assets, thereafter maintain identities which are distinct;  
 15 (b) be effected by a single transaction or by a series of two or more  
 16 transactions; and  
 17 (c) take place whether or not any property is transferred.
- 18 (7) References in this section to a person or business are references to the  
 19 whole or any part of the person or business.

20 **23 Notification of proposed merger**

- 21 (1) Whenever –  
 22 (a) any two or more parties propose to merge; and  
 23 (b) a financial threshold, prescribed by OFT by means of an order  
 24 that also specifies the relevant value to which the threshold  
 25 relates, is likely to be met by the proposed merger,  
 26 the parties must notify OFT of the proposed merger before they take any  
 27 action in furtherance of it. Notification must be in the form and manner  
 28 specified by OFT.  
 29 Tynwald procedure – affirmative.
- 30 (2) If a merger is commenced (regardless of whether it is completed or not)  
 31 without the parties’ to it having notified OFT in accordance with  
 32 subsection (1), each of the parties to the merger commits an offence and  
 33 is liable on summary conviction to a fine not exceeding level 5 on the  
 34 standard scale.
- 35 (3) Each party who commits an offence under subsection (2) may discharge  
 36 its liability by paying a civil penalty in the amount and manner  
 37 prescribed in regulations made by OFT; provided that the maximum  
 38 amount of any civil penalty that may be prescribed is equivalent to level  
 39 2 on the standard scale.  
 40 Tynwald procedure – approval required

- 1 (4) The Council of Ministers may take any steps it considers appropriate to  
2 mitigate the effects of a merger that has been completed without OFT's  
3 having been notified before the merger was commenced.  
4 This is subject to subsection (5) being satisfied.
- 5 (5) A prerequisite for the Council of Ministers to act pursuant to subsection  
6 (4) is that it consider there to be exceptional reasons of public policy that  
7 make doing so desirable.

8 **24 OFT procedure following merger notification**

- 9 (1) Upon receipt of a notification of a proposed merger under section 23,  
10 OFT must make an initial assessment of whether the proposed merger  
11 could lead to a substantial lessening of competition in the market.
- 12 (2) If OFT assesses that the proposed merger is not likely to lead to a  
13 substantial lessening of competition in the market, it must so advise the  
14 parties in writing. The parties will thereafter be free to merge without  
15 further reference to OFT.
- 16 (3) If OFT assesses that the proposed merger could lead to a substantial  
17 lessening of competition in the market, it must —  
18 (a) so advise the parties in writing; and  
19 (b) require the parties to produce evidence that OFT considers  
20 relevant to the process of determining whether the proposed  
21 merger is likely to do so.
- 22 (4) If, following production by the parties of the evidence requested under  
23 subsection (3), OFT determines that the merger is unlikely to lead to a  
24 substantial lessening of competition in the market, OFT —  
25 (a) must, following discussions with the parties, in writing notify  
26 them that it has no objection to the proposed merger; and  
27 (b) must submit to the Council of Ministers a report on the proposed  
28 merger, setting out —  
29 (i) why OFT considers the proposed merger unlikely to lead  
30 to a substantial lessening of competition in the market; and  
31 (ii) in detail, any advice that OFT has given to the parties.

32 **25 Power of OFT to approve or forbid merger**

- 33 (1) If, following production by the parties of the evidence requested under  
34 section 24(3), OFT determines that the proposed merger is likely to lead  
35 to a substantial lessening of competition in the market, it must —  
36 (a) either approve or forbid the proposed merger;  
37 (b) in writing notify the parties of its decision in this regard; and  
38 (c) lay this notification before Tynwald.

- 1 This is subject to subsections (2) to (8).
- 2 (2) Before approving or forbidding the proposed merger in accordance with  
3 subsection (1), OFT may investigate the proposed merger, but must not  
4 commence its investigation unless it has notified the parties of its  
5 intention to investigate.
- 6 (3) OFT may engage the services of a third party, whom it may request to  
7 either assist it in the investigation or carry out the investigation on its  
8 behalf.
- 9 (4) Where it does investigate the proposed merger, OFT must, –
- 10 (a) in writing, advise the parties beforehand of the identity of the  
11 investigator; and
- 12 (b) in due course, advise the parties of the outcome of the  
13 investigation.
- 14 (5) If, following completion of an investigation under subsection (2), OFT  
15 decides to approve the proposed merger, it has the following two  
16 options –
- 17 (a) to approve the merger unconditionally; or
- 18 (b) to approve it subject to conditions.
- 19 (6) OFT must, in writing, advise the parties which of the options in  
20 subsection (5) it decides to exercise and of the reasons for its decision.
- 21 (7) Where OFT approves a proposed merger subject to conditions, it must  
22 advise the Council of Ministers of those conditions.
- 23 (8) OFT is responsible, in accordance with section 9(1)(b)(ii), for enforcing  
24 the conditions which it has imposed under subsection (5)(b).
- 25 (9) In any event, OFT must make a decision under subsection (1) within 3  
26 months of having received a notification of proposed merger in  
27 accordance with section 23.
- 28 (10) Subject to this section and section 24, OFT must make rules of procedure  
29 in respect of the carrying out of investigations under this Part.  
30 Tynwald procedure – laying only.
- 31 (11) Written notification that OFT forbids a proposed merger is to be deemed  
32 to be an order under section 14 and, if the parties merge in defiance of  
33 OFT's prohibition against doing so, –
- 34 (a) the parties commit an offence under section 17; and
- 35 (b) the purported merger, for all purposes in law, has no effect and is  
36 to be deemed to never have occurred.

- 1 **26 Power of Council of Ministers to overrule OFT's decision on merger**
- 2 (1) The Council of Ministers may, after having consulted OFT, overrule
- 3 OFT's decision in respect of a merger or a proposed merger.
- 4 (2) The Council of Ministers may only exercise the power under subsection
- 5 (1) if it considers there to be exceptional and compelling reasons of
- 6 public policy that make it desirable to do so.
- 7 (3) Where, in accordance with subsection (1), the Council of Ministers
- 8 consults OFT in respect of a merger or proposed merger, –
- 9 (a) OFT must publish the advice it gives to the Council of Ministers;
- 10 and
- 11 (b) the Council of Ministers must publish its reasons for overruling or
- 12 forbearing to overrule OFT's decision.

13 **27 Publication of reports**

- 14 (1) Any report produced by OFT under this Part must be submitted to the
- 15 Council of Ministers and must be laid before Tynwald as soon as
- 16 practicable after the report is completed.
- 17 (2) Any such report must be published in such manner as OFT considers
- 18 appropriate.
- 19 (3) When preparing a report, OFT must consider the extent to which it is
- 20 necessary to include information which –
- 21 (a) is commercially sensitive; or
- 22 (b) reveals information about the private affairs of an individual.
- 23 (4) Where OFT decides that it is necessary to include information falling
- 24 within subsection (3) –
- 25 (a) it may do so only in the report it submits to the Council of
- 26 Ministers and to members of Tynwald individually; and
- 27 (b) must redact such information from version of the report it lays
- 28 before Tynwald.
