PART I – CENTRAL SUPERVISION OF LOCAL AUTHORITIES

1 Isle of Man director of public health

- (1) The Cabinet Office shall nominate a fit and proper person, being a registered medical practitioner, as director of public health, and may nominate other such persons as deputy directors of public health.¹
- (2) A director of public health shall provide the Cabinet Office or the relevant Department with such assistance as that Department may consider necessary in order to fulfil its obligations under any enactment.²

2 Provision of assistance to local authorities

- (1) The relevant Department shall make such arrangements as appear to it to be necessary for the provision by the relevant Department of technical assistance to local authorities in the performance of their functions under any enactment, and may for that purpose make available to a local authority the services of officers of the relevant Department, on such terms as may be agreed between the relevant Department and the local authority.³
- (2) The relevant Department may in writing nominate any officer of the relevant Department for the purpose of carrying out in pursuance of arrangements under subsection (1) any functions conferred on a local

authority, or on a person authorised by or a specified officer of a local authority, by any enactment.⁴

- (3) Any officer of the relevant Department nominated under subsection (2) shall be deemed, when exercising any such functions as are mentioned in that subsection, to be acting as an officer of the local authority in question, and shall have all the powers of a duly authorised officer of the authority, or of such person or specified officer, as the case may be, under the enactment in question.⁵
- (4) The relevant Department may by regulations prescribe —
 - (a) the charges to be paid by a local authority to the relevant Department in respect of the expenses incurred by the relevant Department in providing technical assistance to the authority in pursuance of arrangements under subsection (1); and⁶

 - (b) as to any matters with respect to which their sanction, approval or consent is required by any enactment; or
 - (c) as to any public document which they propose to make pursuant to any enactment;
 - (d) as to the manner in which any functions of a local authority are carried out by the authority.¹⁰
- (2) [Repealed]¹¹

- (1) Subject to section 14, if a member of a local authority has any pecuniary interest, direct or indirect, in any contract, proposed contract or other

matter, and is present at a meeting of the local authority at which the contract or other matter is the subject of consideration, he shall at the meeting and as soon as practicable after its commencement disclose the fact and shall not take part in the consideration or discussion of the contract or other matter or vote on any question with respect to it.

- (2) If any person fails to comply with the provisions of subsection (1) he shall for each offence be liable on summary conviction to a fine not exceeding £2,500 unless he proves that he did not know that the contract, proposed contract or other matter in which he had a pecuniary interest was the subject of consideration at that meeting.
- (3) A prosecution for an offence under this section shall not be instituted except by or on behalf of the Attorney General.
- (4) The following, that is to say —
 - (a) the receipt by the mayor of remuneration or his right to receive, or the possibility of his receiving, such remuneration;

shall not be treated as a pecuniary interest for the purposes of this section.

12 Pecuniary interests for purposes of section 11

[P1972/70/95]

- (1) For the purposes of section 11 a person shall be treated, subject to subsections (2) and (3) and to section 14, as having indirectly a pecuniary interest in a contract, proposed contract or other matter, if —
 - (a) he or any nominee of his is a member of a company or other body with which the contract was made or is proposed to be made or which has a direct pecuniary interest in the other matter under consideration; or
 - (b) he is a partner, or is in the employment, of a person with whom the contract was made or is proposed to be made or who has a direct pecuniary interest in the other matter under consideration.
- (2) Subsection (1) does not apply to membership of or employment under any public body, and a member of a company or other body shall not by reason only of his membership be treated as having an interest in any contract, proposed contract or other matter if he has no beneficial interest in any securities of that company or other body.
- (3) In the case of married persons living together the interest of one spouse shall, if known to the other, be deemed for the purpose of section 11 to be also an interest of the other.

- (4) In the case of civil partners living together the interest of one civil partner, shall, if known to the other, be deemed for the purpose of section 11 to be also an interest of the other.⁴⁴

13 General notices and recording of disclosures for purposes of section 11

[P1972/70/96]

- (1) A general notice given in writing to the clerk of the authority by a member thereof to the effect that he or his spouse or civil partner is a member or in the employment of a specified company or other body, or that he or his spouse or civil partner is a partner or in the employment of a specified person, or that he or his spouse or civil partner is the tenant of any premises owned by the authority, shall, unless and until the notice is withdrawn, be deemed to be a sufficient disclosure of his interest in any contract, proposed contract or other matter relating to that company or other body or to that person or to those premises which may be the subject of consideration after the date of the notice.⁴⁵
- (2) The authority shall cause to be recorded in a book to be kept for the purpose particulars of any disclosure made under section 11 and of any notice given under this section, and the book shall be open at all reasonable hours to the inspection of any member of the local authority.

14 Removal or exclusion of disability, etc

[P1972/70/97]

- (1) The Department may, subject to such conditions as it may think fit to impose, by order remove any disability imposed by section 11 in any case in which the number of members of the local authority disabled by that section at any one time would be so great a proportion of the whole as to impede the transaction of business, or in any other case in which it appears to the Department in the interests of the inhabitants of the district that the disability should be removed.⁴⁶
- (2) The power of the Department under subsection (1) includes power to remove, either indefinitely or for any period, any such disability which would otherwise attach to any member or any class or description of member by reason of such interests, and in respect of such matters, as may be specified by the Department.⁴⁷
- (3) Nothing in section 11 precludes any person from taking part in the consideration or discussion of, or voting on, any question whether an application should be made to the Department for the exercise of the powers conferred by subsections (1) and (2).⁴⁸
- (4) Section 11 does not apply to an interest in a contract, proposed contract or other matter which a member of a local authority has —
 - (i) as a ratepayer or inhabitant of the district; or

- (ii) as a tenant of a dwelling house owned by the local authority where that dwelling house is the subject of consideration in common with other dwelling houses owned by the local authority in the same locality;

or to an interest in any matter relating to the terms on which the right to participate in any service, including the supply of goods, is offered to the general public.

- (5) For the purpose of section 11 a member shall not be treated as having a pecuniary interest in any contract, proposed contract or other matter by reason only of an interest of his or of any company, body or person with which he is connected as mentioned in section 12(1) which is so remote or insignificant that it cannot reasonably be regarded as likely to influence a member in the consideration or discussion of, or in voting on, any question with respect to that contract or matter.
- (6) Where a member of a local authority has an indirect pecuniary interest in a contract, proposed contract or other matter by reason only of a beneficial interest in securities of a company or other body, and the total nominal value of those securities does not exceed £1,000 or one-hundredth of the total nominal value of the issued share capital of the company or body, whichever is the less, and if the share capital is of more than one class, the total nominal value of shares of any one class in which he has a beneficial interest does not exceed one-hundredth of the total issued share capital of that class, section 11 shall not prohibit him from taking part in the consideration or discussion of the contract or other matter or from voting on any question with respect to it, without prejudice, however, to his duty to disclose his interest.

 - (a) they may also arrange for the discharge of those functions by a joint committee of theirs or by an officer of one of them, and subsection (2) shall apply in relation to those functions as it applies in relation to the functions of the individual authorities; and

- (4) If and in so far as an appeal under this section is based on the ground of some informality, defect or error in or in connection with the notice, the High Bailiff shall dismiss the appeal, if he is satisfied that the informality, defect or error was not a material one.

- (6) In exercising his powers under subsection (5), the High Bailiff shall have regard —
- (a) as between an owner and an occupier, to the terms and conditions, whether contractual or statutory, of the tenancy or other agreement or arrangement and to the nature of the works required; and
