5 Class 13 business and corresponding activity restrictions

- (1) An ISPV must be authorised by the Supervisor to carry on only class 13 business and must not carry on any business other than in accordance with these Regulations.
- (2) Class 13 business means insurance business (including assurance and reinsurance) of any kind which complies with paragraph (3) and Regulation 12.
- (3) An ISPV must —
 - (a) only enter into contracts or otherwise assume obligations which are necessary for it to give effect to, or are reasonably incidental to it entering into or performing —
 - (i) contracts of insurance, or forms of contracts of insurance;
 - (ii) funding mechanisms, or forms of funding mechanisms; and
 - (iii) any arrangements, or forms of arrangements, for ring-fencing the assets and liabilities relating to the contracts of insurance or funding mechanisms referred to in sub-paragraphs (i) and (ii) (as may be applicable); and
 - (b) adhere to any specified maximum volumes of business, which have been agreed (or alternatively, in the case of sub-paragraph (b), required) by the Supervisor in writing pursuant to an application of the ISPV in accordance with Regulation 6(1) or 6(2) (as applicable).
- (4) In paragraph (3), a “form” of a contract of insurance, funding mechanism or arrangement (as the case may be) refers to a form pre-agreed by the Supervisor for its subsequent use by the ISPV in the form so agreed, and is subject to any business volume limits agreed or required by the Supervisor as referred to in paragraph (3)(b).

6 Application and authorisation process

- (4) For authorisations subject to post-authorisation deliverables, any business to which a deliverable relates must not be commenced, or agreed to be commenced until such time as the Supervisor has agreed in writing to its commencement.
