 - (a) making the documents available for inspection by an officer; or
 - (b) making available to the Treasury information of a description specified in the notice (whether electronically or otherwise).
- (3) References in these Regulations to documents accompanying an export declaration are to be construed in accordance with this regulation.
- (4) This regulation is subject to Chapters 4 and 6.

CHAPTER 6 – SIMPLIFICATIONS TO EXPORT DECLARATIONS ETC

*Section 1 – Simplified export declaration process***39 The meaning of simplified export declaration process**

- (1) “Simplified export declaration process” means the process in relation to export declarations provided by this Chapter which simplifies or disapplies requirements made by or under these Regulations which would otherwise apply to export declarations.
- (2) The simplified export declaration process does not apply to an export declaration made in respect of goods which are subject to a transit procedure.

40 Persons authorised to use the simplified export declaration process

- (1) A person (“an authorised declarant”) may use the simplified export declaration process if authorised to do so by the Treasury.
- (2) The eligibility criteria to be so authorised are that the person –
 - (a) meets the criteria which apply to be approved as an authorised economic operator in regulation 99(1)(c) and (d) of CIDR 2019⁴⁰, as if reference to suitability to be an authorised economic operator were a reference to suitability to be an authorised declarant; and
 - (b) demonstrates to an officer that appropriate procedures are in place such that the person can use the simplified export declaration process competently.
- (3) The Treasury may give a notice setting out appropriate procedures for the purposes of paragraph (2)(b).
- (4) A person who is an authorised economic operator may be authorised as an authorised declarant even if the person does not meet the eligibility criterion in paragraph (2)(b).
- (5) An authorisation may be given in respect of an export declaration which –
 - (a) is identified in the authorisation; or
 - (b) is to be made within a period identified in the authorisation.
- (6) The simplified export declaration process must be used in compliance with any conditions contained in the authorisation.
- (7) The simplified export declaration process may not be used by a Customs agent⁴¹ in respect of an export declaration where –

⁴⁰ See regulation 99 (eligibility criteria for authorised economic operators) of Customs (Import Duty) Regulations 2019 which applies to these Regulations due to Part 8.

⁴¹ See, in relation to Customs agents and indirect agents, section 21 of the Act.

- (a) the principal of the agent is an authorised declarant;
- (b) the agent is not an authorised declarant; and
- (c) the agent intends to act as an indirect agent on behalf of the principal in making the export declaration.

41 Simplified export declaration and supplementary export declaration

- (1) To comply with the simplified export declaration process, an authorised declarant must make the export declaration, in respect of the goods, in two parts, comprising —
 - (a) a simplified export declaration; and
 - (b) a supplementary export declaration.
- (2) But, in the cases specified in regulation 42, a supplementary export declaration is not required.
- (3) A “simplified export declaration” and a “supplementary export declaration” are the parts of an export declaration, identified accordingly in a public notice given by the Treasury.
- (4) That public notice must specify the information to be contained in, and the documents to accompany, the respective parts.
- (5) A simplified export declaration must be made by no later than the end of the period which applies to making the export declaration in respect of the goods.
- (6) A supplementary export declaration must be made by no later than —
 - (a) where the export declaration relates to more than one consignment of goods, the fourth working day after the end of the calendar month to which the declaration applies; and
 - (b) where the export declaration only relates to one consignment of goods, the end of the period of 14 days beginning with the date on which the goods leave the territory comprising the Island and the United Kingdom.
- (7) The authorised declarant must, by the end of the period which applies to the making of each respective part, make available for inspection by an officer any documents required to accompany each respective part.
- (8) An officer may, in the case of documents required to accompany the supplementary export declaration, extend that period in accordance with regulation 43.
- (9) For the purposes of acceptance of an export declaration, where the Treasury makes a determination in respect of the simplified export declaration, it is treated as a determination in respect of the export declaration.

- (10) For the purposes of notification of acceptance of an export declaration, a notification by the Treasury to the authorised declarant that the simplified export declaration is accepted, is notification of acceptance of the export declaration.
- (11) Acceptance and notification of acceptance of the export declaration are to be treated as occurring on completion of the EIDR export process in regulation 44(1) where –
- (a) the conditions of regulation 44 are met; and
 - (b) an officer is satisfied that the goods have been made available for examination in accordance with regulation 48.

42 Exception from requirement to make a supplementary export declaration

A supplementary export declaration is not required, to comply with the simplified export declaration process, in respect of goods where –

- (a) the value of the goods does not exceed £900 and the weight of the goods does not exceed 1000kg;
- (b) an officer considers that all the information required to discharge the goods from a common export procedure has been provided by or with the simplified export declaration without the need for a supplementary export declaration; and
- (c) the simplified export declaration is not made by using the EIDR export process.

43 Supplementary export declaration: extension to make available documents for inspection

- (1) In a particular case, an officer may extend the period to make available for inspection by an officer, documents required to accompany a supplementary export declaration.
- (2) But any such extended period must not exceed –
- (a) in respect of documents which concern the value of the goods, the period of 3 years beginning with the date of release of the goods to a common export procedure; or
 - (b) in respect of all other documents, the period of 120 days beginning with the date of release of the goods to a common export procedure.

Section 2 – Simplified export declarations made using the EIDR export process

44 EIDR export process

- (1) “EIDR export process” means to make a simplified export declaration –

- (a) by way of entering into an EIDR electronic system the simplified export declaration, the information required to be contained in it, and the documents required to accompany it; and
 - (b) which meets the conditions in paragraphs (2) and (3); and
- in this regulation that simplified export declaration is referred to as an “applicable simplified export declaration”.
- (2) The first condition is that the goods to which the declaration relates must be of a kind set out in a notice which must be given by the Treasury.
 - (3) The second condition is that the goods are not excise goods, within the meaning of regulation 3(1) of the Excise Goods (Holding, Movement and Duty Point) Regulations 2010⁴².
 - (4) In paragraph (1), “EIDR electronic system” means, in relation to the export of goods, an electronic system which is –
 - (a) operated by the person making the applicable simplified export declaration; and
 - (b) used for keeping and maintaining records (“EIDR records”) of the matters referred to in sub-paragraphs (a) and (b) of paragraph (1).

45 Authorisations to use the EIDR export process

- (1) A person may only use the EIDR export process if authorised to do so by the Treasury.
- (2) A person authorised under paragraph (1) is referred to in this Chapter as “an authorised EIDR export declarant”.
- (3) The eligibility criteria to be so authorised are that the person meets the criteria which apply to be approved as an authorised economic operator⁴³ in regulation 99(1)(c), (d), (e) and (g) of CIDR 2019, as if reference to suitability to be an authorised economic operator were a reference to suitability to be an authorised EIDR export declarant.
- (4) The authorisation that a person is an authorised EIDR export declarant must identify any conditions which apply in respect of using the EIDR export process.
- (5) As part of that authorisation, the Treasury may determine that goods of a kind specified in it are not required to be made available for examination.
- (6) But the Treasury or an officer may subsequently require goods to be made available for examination even if a determination under paragraph (5) has been made.

⁴² SD 198/10.

⁴³ See section 22 of the Act, and regulation 99 (1)(c), (d), (e) and (g) of CIDR 2019 which apply to these Regulations in accordance with, and with the modifications provided by, Part 8.

 - (b) provide to the officer, from that system, information which the officer reasonably requires in order to verify —
 - (i) EIDR records; or
 - (ii) other records showing whether or not any goods have been exported which are subject to a prohibition or restriction on export imposed under an enactment.
- (2) Where paragraph (1) applies, the goods to which the records relate are not discharged from a common export procedure until —

CHAPTER 7 – EXPORT DECLARATIONS FOR CONSIGNMENTS OF DIFFERENT TYPES OF GOODS**47 Export declarations for different types of goods in a consignment**

- (2) In particular, goods which are subject to —
 - (a) a restriction on export imposed under an enactment;
 - (b) excise duty; or
 - (c) different Customs procedures,are goods of a different type to other goods in the consignment which are not so subject.
- (3) If only one export declaration is made in respect of the consignment there is to be treated as made by the declarant a separate export declaration in respect of each different type of goods in the consignment.
- (4) For the purposes of paragraph (3), and subject to paragraph (2), one export declaration is to be treated as made in respect of those goods in the consignment which —
 - (a) are equivalently classified under the customs tariff⁴⁴ with other goods in the consignment; or

⁴⁴ “Customs tariff” is defined in section 8 of the Act.

- (b) are subject to an application to HMRC for a ruling further to section 24 of the Act to be treated as equivalently classified with other goods in the consignment, which application has not been determined or refused.

CHAPTER 8 – OBLIGATION TO MAKE GOODS AVAILABLE FOR EXAMINATION

48 Obligation to make goods available for examination

- (1) Goods, in respect of which an export declaration has been made, must be made available for examination at an appropriate place within a period of 30 days beginning with the day on which the declaration was made.
- (2) But paragraph (1) does not apply to goods which are exported by being transported through a fixed transport installation.
- (3) The person who made the export declaration in respect of the goods is required to make the goods available for examination, except if they secure that another person is to do it on their behalf.
- (4) If a person secures that another person (“P”) is to make the goods available for examination on their behalf, P is required to make the goods available for examination.
- (5) A person required to make goods available for examination must give the Treasury a notification setting out when and where the goods are to be made so available.
- (6) Further requirements about making the goods available for examination may be specified in a notice given by the Treasury including, in particular, the following –
 - (a) the method by which goods are to be made available for examination;
 - (b) any documents which must be provided when the goods are made available for examination;
 - (c) where the goods are to be made available for examination;

 - (e) the period of time within which the goods are to be made available for examination.
- (7) For the purposes of this regulation, the Treasury may approve a place which is an appropriate place.
- (8) And cases where a place is approved by the Treasury for those purposes include cases where the place is owned, occupied or otherwise used by a person approved by the Treasury.
- (9) In this regulation –

- (a) an “appropriate place” is a place specified in a notice given by the Treasury for the examination of goods in respect of which an export declaration has been made; and
 - (b) a “fixed transport installation” means a pipe-line within the meaning of section 184 of CEMA 1986 or another technical means used for the continuous transport of goods such as electricity, gas or oil.
- (10) This regulation is subject to regulation 45 and Part 6 (goods exported from RoRo listed locations).

CHAPTER 9 – CONTROL OF GOODS

49 Control of goods where export declaration is made

- (1) The goods in respect of which an export declaration is made are subject to the control of any officer throughout the period beginning with the acceptance of the export declaration and ending when –
- (a) they are exported from the Island;
 - (b) they are forfeited or destroyed; or
 - (c) the export declaration in respect of the goods is amended so that it no longer applies to the goods or is withdrawn.
- (2) The control that may be exercised by an officer includes the requirements mentioned in paragraph (3).
- (3) An officer may require a person –
- (a) to provide information (and documents) to the officer as specified by that officer;
 - (b) to handle the goods, or otherwise deal with them, in accordance with instructions given by the officer (whether given orally or in any other way); or
 - (c) to keep the goods in any place specified by the officer; and
- in each case the requirement must be complied with immediately or at a time specified by the officer.
- (4) This regulation does not limit the control of the goods that may be exercised by an officer by or under any other enactment.

CHAPTER 10 – ACCEPTANCE OF EXPORT DECLARATIONS ETC.

50 Acceptance of export declarations

- (1) As soon as practicable after receiving an export declaration, the Treasury must determine –

- (a) whether or not the export declaration has been made, and has been made available to the Treasury, in accordance with provision made by or under this Part; and
 - (b) whether or not the declaration is complete.
- (2) Where goods must be made available for examination, the Treasury are not required to make a determination under paragraph (1) before the goods have been made available for examination.
- (3) Paragraph (1) is subject to the following —
- (a) regulation 33 (export declarations made orally: consequential provision);
 - (b) regulation 34 (export declarations made by conduct: consequential provision);
 - (c) regulation 41 (simplified export declaration and supplementary export declaration); and
 - (d) regulation 53 (verification of export declarations).

51 Notification of acceptance of export declarations

- (1) If the Treasury is satisfied that —
- (a) an export declaration has been made in respect of the goods, and has been made available to the Treasury;
 - (b) the goods have been made available for examination; and
 - (c) the export declaration is complete,
- the Treasury must notify the person making the declaration that it is so satisfied.
- (2) A notification under paragraph (1) constitutes acceptance of the declaration by the Treasury subject to the following provisions —
- (a) regulation 33 (export declarations made orally: consequential provision);
 - (b) regulation 34 (export declarations made by conduct: consequential provision);
 - (c) regulation 41 (simplified export declaration and supplementary export declaration); and

52 Export declarations regarded as complete

For the purposes of regulations 50(1)(b) and 51(1)(c), an export declaration is regarded as complete only if —

- (a) all the information required to be included in the export declaration is included (in the appropriate places in it); and
- (b) all the documents required to accompany the export declaration do accompany it,

whether or not there are any inaccuracies in the information contained in the declaration or documents.

CHAPTER 11 – VERIFICATION OF EXPORT DECLARATIONS ETC

53 Verification of export declarations

- (1) An officer may verify an export declaration by taking any of the following steps –
 - (a) steps to establish the entitlement of a person to make an export declaration and generally to determine whether the conditions for making the declaration are met; and
 - (b) steps to establish the accuracy of an export declaration or any document required to accompany it.
- (2) An officer may take any of the steps in paragraph (1) before or after, or at the same time as, accepting the declaration.
- (3) An officer may repeat any of those steps as frequently as the officer considers appropriate.
- (4) If an officer takes any of those steps before an export declaration is accepted, the officer –
 - (a) may notify the person making the declaration that the declaration is to be treated as if it has been accepted by the Treasury (whether or not it would have been accepted under Chapter 10); and
 - (b) may make any amendments to the declaration that the officer considers appropriate.
- (5) A notification under paragraph (4) constitutes the acceptance of the declaration by the Treasury and, if applicable, as amended by an officer⁴⁵.

54 Inaccuracies in export declarations

- (1) Paragraph (2) applies if an officer considers at any time that there is an inaccuracy in an export declaration (including as a result of an inaccuracy in a document accompanying it).
- (2) The officer –
 - (a) must inform the person making the declaration of the inaccuracy; and

⁴⁵ For further provisions governing the steps which an officer may take, see section 48A and Parts 6 and 12 of the Customs and Excise Management Act 1986.

- (b) must correct the declaration, or direct the person who has made the declaration or any other appropriate person to make the necessary corrections.
- (3) Any liability to import duty in respect of any goods may be determined on the basis of the information contained in an export declaration as corrected (or required to be corrected) under paragraph (2).
- (4) A notification is not required to be given under paragraph (2)(a) if an officer considers that doing so might prejudice an investigation that could result in legal proceedings (whether or not involving the person who would otherwise be notified).

CHAPTER 12 – AMENDMENT OR WITHDRAWAL OF EXPORT DECLARATIONS

55 Amendment or withdrawal of export declarations

- (1) A person who has made an export declaration is entitled to withdraw it at any time before the first occurrence of any of the following events –
 - (a) an officer indicating to the person that the officer intends to take steps to verify the export declaration;
 - (b) an officer taking steps to verify the declaration;
 - (c) the Treasury accepting the declaration.
- (2) A person may withdraw an export declaration after an event listed in paragraph (1)(a) to (c) has occurred if –
 - (a) a notification to withdraw the declaration is given to an officer before the end of a period specified in a notice given by the Treasury; and
 - (b) an officer consents to the withdrawal.
- (3) A person who has made an export declaration is entitled to amend it at any time before the first occurrence of any of the following events –
 - (a) an officer indicating to the person that the officer intends to take steps to verify the export declaration;
 - (b) an officer taking steps to verify the declaration;
 - (c) where regulation 62 does not apply, the Treasury accepting the declaration; or
 - (d) where regulation 62 applies, the RoRo vehicle crossing the boundary of a RoRo listed location.
- (4) A person may amend an export declaration after an event listed in paragraph (3)(a) to (d) has occurred if –
 - (a) a notification to amend the declaration is given to an officer before the end of a period specified in a notice given by the Treasury; and
 - (b) an officer consents to the making of the amendment.

- (5) In this regulation “RoRo listed location” and “RoRo vehicle” have the same meaning as in Part 6.

56 Export declarations treated as withdrawn

An export declaration is treated as withdrawn if, after a period of 150 days beginning with the day of the release of the goods to a common export procedure, the goods are not exported in accordance with that procedure.

CHAPTER 13 – RELEASE TO A COMMON EXPORT PROCEDURE

57 Releasing goods to a common export procedure

- (1) The release of goods to a common export procedure occurs when –
- (a) the Treasury accepts an export declaration; and
 - (b) any other requirements which may be specified in a notice given by the Treasury are met.
- (2) But the Treasury must not release goods to a common export procedure before an officer has decided –
- (a) to take steps to verify the export declaration; or
 - (b) that the goods may be released to the procedure without an officer taking those steps.

CHAPTER 14 – DISCHARGE FROM A COMMON EXPORT PROCEDURE

58 Discharging goods from a common export procedure

- (1) Goods are discharged from a common export procedure when the Treasury notifies the person making the export declaration that the goods are discharged from that procedure and –
- (a) the goods have been presented to Customs on export;
 - (b) the goods have been exported; and
 - (c) the person who exported the goods, or a person on their behalf, has informed the Treasury that the goods have been exported.
- (2) Sub-paragraphs (b) and (c) of paragraph (1) do not apply in respect of goods declared for a transit procedure, except in cases specified in a notice which may be given by the Treasury.
- (3) In paragraph (1)(c), the person who exported the goods is required to inform the Treasury that the goods have been exported, except if they secure that another person is to do it on their behalf.
- (4) If the person who exported the goods secures that another person (“P”) is to inform the Treasury that the goods have been exported, P is required to do it.

- (5) Paragraphs (1)(c), (3) and (4) do not apply in cases specified in a notice given by the Treasury.
- (6) The cases that may be specified in that notice may include some or all goods in respect of which these Regulations apply.
- (7) Although, at the point the goods are discharged from a common export procedure they —
 - (a) are not domestic goods; and
 - (b) cease to be under the control of an officer,nothing in this regulation prevents the subsequent exercise of a power to verify the export declaration.

PART 5 – PRESENTATION OF GOODS ON EXPORT

59 Notification of export

- (1) Goods which must be presented to Customs on export are —
 - (a) goods declared for a common export procedure;
 - (b) goods in respect of which regulation 8 (export of goods deemed to be made in accordance with procedure for purposes of applicable export provisions) applies; and
 - (c) goods declared for an outward processing procedure⁴⁶.
- (2) A notification of export of goods⁴⁷ from the Island must be given, or be deemed to have been given⁴⁸, to the Treasury by —

 - (c) a person who is responsible for the carriage of goods when they are exported; or
 - (d) a person who made an export declaration in respect of the goods.
- (3) A person mentioned in paragraph (2) is required to give the notification of export of goods to the Treasury (or be deemed to have given it) except where another person mentioned in that paragraph has given it, or is deemed to have given it, prior to the export of the goods.
- (4) The notification must be given at the place from where the goods are exported, except in respect of the cases specified in a public notice given by the Treasury.

⁴⁶ See section 36 of the Act.

⁴⁷ See section 34(3) of the Act.

⁴⁸ See regulation 29 (export declarations made orally: consequential provision), 30 (export declarations by conduct: consequential provision) and regulation 55 (goods carried by RoRo vehicles to and from RoRo listed locations: modifications in relation to export declarations).

- (5) In any case, the notification must only be given at a place specified in a public notice given by the Treasury.
- (6) The notification must —
 - (a) contain the matters specified in, and be accompanied by the documents specified in, a public notice given by the Treasury;
 - (b) be made in the form and manner specified in the public notice; and
 - (c) be made at a time specified in the public notice.
- (7) The Treasury must publish a public notice specifying the matters referred to in paragraphs (4) to (6).
- (8) That public notice may also, for example, specify details about the following matters to be included in the notification of export or a document accompanying it made in respect of the goods —
 - (a) the person making the notification;
 - (b) the goods; and
 - (c) any export declaration, declaration for the outward processing procedure or exit summary declaration.

PART 6 – GOODS EXPORTED FROM RORO LISTED LOCATIONS

60 Interpretation of Part

In this Part —

“**RoRo listed location**” means a location in the Island listed in a notice published by the Treasury; and

“**RoRo vehicle**” has the meaning given in regulation 136 (interpretation) of CIDR 2019.

61 RoRo listed locations for export

- (1) In relation to the export of goods, a location may be a RoRo listed location if it is a location, where the following conditions are met, namely —
 - (a) the location is only or predominantly used by RoRo vehicles as a place where goods carried by those vehicles are exported; and
 - (b) the Treasury considers that a common export procedure at the location would be significantly impeded if, in respect of goods to be exported which are carried by RoRo vehicles arriving at or departing from the location, the modifications in regulation 62 did not apply.
- (2) In paragraph (1), “location” means a port or that part of a port in respect of which the conditions in that paragraph are met.

- (3) Paragraphs (3) to (6) of regulation 137 (RoRo listed locations) of CIDR 2019 apply to a RoRo listed location in relation to the export of goods.

62 Goods carried by RoRo vehicles to and from RoRo listed locations: modifications in relation to export declarations

- (1) Paragraphs (2) to (7) apply to an export declaration in respect of goods which are carried by RoRo vehicles to, and are exported on RoRo vehicles from, RoRo listed locations.
- (2) There is no requirement to make the goods available for examination except —
- (a) in cases specified in a notice which may be given by the Treasury; or
- (b) if an officer requires that the goods are made available for examination.
- (3) Even if there is no requirement to make goods available for examination, regulation 13(2)(a) (eligibility of persons to make export declarations) applies as if there is that requirement.
- (4) Even if goods are required to be made available for examination by or under paragraph (2), a notification for the purposes of regulation 48(5) (obligation to make goods available for examination) is not required except in circumstances which may be specified in a notice given by the Treasury.
- (5) The export declaration must not be amended or withdrawn⁴⁹ after it is made without the consent of an officer, other than to substitute information of a description specified in the notice given by the Treasury.
- (6) A notification of export of goods is deemed to have been given in respect of goods declared for a common export procedure which were carried by RoRo vehicles to, and are exported on RoRo vehicles from, RoRo listed locations.
- (7) But paragraph (6) does not apply —
- (a) in case specified in a notice which may be given by the Treasury; or
- (b) if an officer requires that a notification of export of goods is given in respect of the goods.

⁴⁹ See Chapter 12 of Part 4.

- (2) Section 37(8) (minor definitions) of the Act applies to these Regulations as if, in both places, for “a Customs declaration” the words “an export declaration or an onward export notification” were substituted, and as if, in both places, after “the declaration”, the words “or the notification” were inserted.

64 Residence or establishment in the Island or United Kingdom

- (1) Except as provided by paragraph (2) a person may not act as a Customs agent concerning a common export procedure unless the person is established in the Island or United Kingdom.
- (2) Where a person (“P”) acting as principal is not required to be established in the Island or United Kingdom in order to carry out a matter concerning a common export procedure, a person may act as a Customs agent on behalf of P to carry out the matter and not be established in the Island or United Kingdom.

65 Disclosure of an appointment

- (1) Where a person (“P”) appoints another person (“A”) to act on P’s behalf as a Customs agent, A must disclose that agency in each export declaration which is made, and in each onward export notification which is given, by A as agent for P.
- (2) Paragraph (1) does not apply where an export declaration is made by conduct as provided by Section 3 of Chapter 4 of Part 4 of these Regulations.

66 Disclosure of withdrawal of appointment

- (1) This regulation applies where disclosure of a person’s appointment as a Customs agent is required to be disclosed in an export declaration or onward export notification by regulation 65(1).
- (2) Where the appointment is withdrawn, subject to paragraphs (4)(a) and (6)(b)(i), the principal must disclose the withdrawal by amending each export declaration in which disclosure of the appointment was required to be given.
- (3) Paragraph (4) applies where —

- (a) an appointment in respect of an export declaration is withdrawn; and
 - (b) the principal appoints another person (“C”) as a Customs agent in respect of the export declaration.

- (5) Paragraph (6) applies where, in respect of an export declaration, a Customs agent originally acting in the capacity of –
- (a) a direct agent becomes an agent acting in the capacity of an indirect agent⁵⁰; or

 - (b) the Customs agent must –
 - (i) comply with paragraph (2) instead of the principal; and
 - (ii) disclose with the amendment to the export declaration the agent’s new capacity.
- (7) Paragraph (8) applies where a disclosure of withdrawal of appointment is required by this regulation and the requirement –
- (a) applies once a relevant event occurs within the meaning of regulation 55(2) (amendment or withdrawal of export declarations); and
 - (b) in consequence, can be complied with only if the consent of an officer is given further to regulation 55(3)(b).
- (8) The consent of an officer is to be treated as given in relation to the making of the disclosure.

PART 8 – APPROVALS AND AUTHORISATIONS AND AUTHORISED ECONOMIC OPERATORS

67 Application of Part 9 of CIDR 2019

- (1) Part 9 (approvals and authorisations and authorised economic operators) of CIDR 2019 applies to an approval or authorisation made in connection with an export declaration with the modifications in paragraph (2).

⁵⁰ See section 21(1) regarding indirect and direct agents.

- (2) Regulation 95 (grant or refusal of an application for approval) has effect as if —
- (a) in paragraph (1), for “Within the specified period” the words “In the period starting on the date on which an application for approval was received and ending 120 days after that date (“the specified period”)” were substituted; and
 - (b) paragraph (2) were omitted.

PART 9 – ONWARD EXPORT

68 Interpretation of Part

“**OE notifier**” has the meaning given by regulation 69(5);

“**temporary storage declaration**” has the same meaning as in regulation 9 of CIDR 2019; and

“**temporary storage facility**” has the same meaning as in section 18A(1)⁵¹ of CEMA 1986.

 - (d) an export trans-shipment in respect of the goods has taken place, or the person giving the notification intends for it to take place, before the end of the period of 14 days beginning on the day on which the goods were presented to Customs on import.
- (2) An onward export notification in respect of goods must be given to the Treasury by a person mentioned in paragraph (3) before the goods are exported.
- (3) The persons are —

⁵¹ Section 18A of the Customs and Excise Management Act 1986 was amended by SD 2019/0081.

- (a) the person who exports the goods;
 - (b) a person on whose behalf another person exports the goods;
 - (c) a person who is responsible for the carriage of the goods when they are exported.
- (4) For the purposes of paragraph (2), persons mentioned in paragraph (3) are required to give an onward export notification except where another person mentioned in that paragraph has given it prior to the export of the goods.
- (5) A person who gives an onward export notification is an “OE notifier”.
- (6) An onward export notification must —
- (a) contain the matters specified in a notice given by the Treasury; and
 - (b) be made in the form and manner specified in the notice.
- (7) The Treasury must publish that notice and it may include provision, further to paragraph (2), about when the onward export notification must be made.
- (8) And it may, for example, specify that details of any of the following be included in an onward export notification —
- (a) the person giving the onward export notification; and
 - (b) the goods.
- (9) When an onward export notification is given in respect of goods, the OE notifier is deemed to have given a notification of export of the goods.

70 Amendment and withdrawal of onward export notifications

- (1) An OE notifier may amend or withdraw an onward export notification given by the OE notifier, except where paragraphs (2) and (3) apply.
- (2) No amendment may be made after an officer has informed the OE notifier that the officer is satisfied that the goods may be exported.
- (3) No amendment may be made after the time when an officer informs the OE notifier that the officer —
- (a) intends to examine the goods; or
 - (b) has established that the contents of the onward export notification are incorrect.
- (4) But paragraph (3) does not apply in relation to an amendment required under regulation 66(2) (disclosure of withdrawal of an appointment).

71 Onward export notifications treated as withdrawn

An onward export notification in respect of goods is treated as withdrawn if —

- (a) an export trans-shipment of the goods does not take place before the end of the period of 14 days beginning on the day on which the goods were presented to Customs on import; or
- (b) the goods were not exported before the end of the period of 90 days beginning with the day on which the goods were presented to Customs on import.

- “re-export declaration”;
- “re-export notification”;
- “Union goods”;
- “verification”⁵⁴.

CHAPTER 2 – CONTINUED EFFECT AND CESSATION OF EFFECT OF THE EUCL, EVIDENCE AND VERIFICATION

74 Continued effect and cessation of effect of the EUCL

- (1) Where, as provided by this Part, the EUCL continues to have effect in relation to goods on or after IP completion day, paragraph (2) applies to the following matters –
 - (a) any approval or authorisation granted by, or on behalf of, the Treasury or the equivalent competent authority of a member State under the EUCL or treated as valid immediately before IP completion day under Article 251 of the Delegated Regulation; or
 - (b) a decision given by the Treasury which is a decision taken upon application.
- (2) If a matter listed in paragraph (1) applies in relation to the goods immediately before IP completion day, it continues to apply for so long as the EUCL continues to have effect in relation to the goods, unless and until the Treasury amends or revokes the same in any particular case.
- (3) The continuation of, or cessation of, the effect of the EUCL in relation to goods as provided by this Part does not –
 - (a) affect the operation of the EUCL or anything duly done or suffered under it;
 - (b) affect any right, privilege, obligation or liability acquired, accrued or incurred under the EUCL or any enactment in relation to the EUCL;
 - (c) affect any penalty, forfeiture or punishment incurred in respect of any offence under an enactment in relation to the EUCL; or
 - (d) affect any investigation, legal proceeding or remedy in respect of any such right, privilege, obligation, liability, penalty, forfeiture or punishment.
- (4) Notwithstanding that the EUCL ceases to have effect in relation to goods, any such investigation, legal proceeding or remedy may be instituted, continued or enforced, and any such penalty, forfeiture or punishment may be imposed, as if the EUCL had not ceased to have effect in relation to the goods.

⁵⁴ See Article 188 of the UCC.

- (5) When the EUCL ceases to have effect in relation to goods as provided by this Part at a time when the goods are located in the Island, the Act, for the purposes of these Regulations, and paragraph (6) then apply in relation to the goods.
- (6) Where a requirement of the EUCL has not been met or not met in relation to the goods, any equivalent requirement imposed by or under —
 - (a) these Regulations; or
 - (b) the Act, for the purposes of these Regulations,is also to be treated as having been met or not met, as the case may be, in relation to the goods.
- (7) Where the EUCL continues to have effect in relation to goods on or after IP completion day by virtue of this Part, the cessation of effect of the EUCL provided by paragraph 1(1) of Schedule 7 to the Act which would otherwise apply in relation to the goods does not apply.

75 Evidence required by notice
