## PART 3 — AMENDMENTS TO INCOME TAX (INSTALMENT PAYMENTS) ACT 1974

### 9 Act amended

This Part amends the *Income Tax (Instalment Payments) Act 1974*.

### 10 New Part 1 heading

After the long title, insert—

#### PART 1 — INTRODUCTORY

### 11 Section 1 amended — definitions and regulations

In section 1(1), insert the following alphabetically —

“**1970 Act**” means the *Income Tax Act 1970*;

“**arrangement**” means a written or oral agreement, contract or understanding, whether or not for consideration;

“**client**” has the meaning given in section 2AA(1)(a);

“**conditions for deeming**” has the meaning given in section 2AB;

“**third party**” has the meaning given in section 2AB(3); and

“**worker**” has the meaning given in section 2AA(1)(a).

### 12 New Part 2 and Part 3 heading — deemed employment

After section 2 (but before section 2A) insert —

#### PART 2 — DEEMED EMPLOYMENT

##### 2AA Application of Part

(1) This Part applies if —

(a) an individual (the “**worker**”) has provided, or is under a contractual or other obligation to provide, services which are provided for the ultimate benefit of another (“**the client**”) in connection with a business carried on by the client; and

(b) the conditions in section 2AB (the “**conditions for deeming**”) are satisfied.

(2) To avoid any doubt, this Part applies —

- (a) whether the client is an individual, body corporate, unincorporated body, Department, local authority or other public authority in the Island; and
- (b) even if the services are provided to the client —
  - (i) as a trustee of a trust; or
  - (ii) under any other arrangement under which the client is carrying on the business for someone else's benefit.

(3) But this Part does not apply where —

- (a) the third party is —
  - (i) an agency or business to which the *Employment Agencies Act 1975* (“the 1975 Act”) does not apply by virtue of section 11 of the 1975 Act; or
  - (ii) an employment agency or employment business registered under the 1975 Act; and
- (b) the Assessor grants the agency or business exemption from this Part.

(4) In this section, “business” includes a Department, Statutory Board, or other public authority in the Island and any undertaking (whether conducted with a view to profit or not).

## 2AB Conditions for deeming

- (1) The conditions for deeming are as follows.
- (2) The client —
  - (a) is resident in the Island for the purposes of income tax; or
  - (b) has a place of business in the Island.
- (3) The services are provided not under a contract between the worker and the client, but under an arrangement involving another party (a “**third party**”).  
 To avoid any doubt, there may be more than one third party involved in the arrangements.
- (4) Assuming the services were provided, or were to be provided, under a contract directly between the worker and the client, the worker would have been an employee of the client.

## 2AC Client deemed to be worker's employer

For the purposes of this Act —

- (a) the worker is taken to be an employee of the client and not of a third party;

- (b) the client, and not a third party, is the worker's employer; and
- (c) the worker's earnings are taken to have passed, or to pass, directly from the client to the worker and not through the hands of a third party.

### 2AD Deeming for 1970 Act

- (1) For the purposes of the 1970 Act any sum which a third party receives for providing the services is taken to be remuneration of the worker.
- (2) But if the third party charges a fee and is —
  - (a) an agency or business to which the *Employment Agencies Act 1975* ("the 1975 Act") does not apply by virtue of section 11 of the 1975 Act; or
  - (b) an employment agency or employment business registered under the 1975 Act;
 the fee is chargeable to income tax in the hands of that agency or business and not those of the worker.

### 2AE Objections

- (1) The objection provisions apply to a person notified of a decision that this Part applies to that person —
  - (a) as if a reference in those provisions —
    - (i) to an assessment were a reference to the decision; and
    - (ii) to a notice of assessment were a reference to the notice informing the person of the decision; and
  - (b) with other necessary changes.
- (2) The Commissioners' powers under the objection provisions as applied under subsection (1) include the power to confirm, vary or reverse a decision to which an objection has been raised.
- (3) In this section, "the objection provisions" means sections 87 to 91 of the 1970 Act.

### 2AF Relationship of charges to tax

- (1) Nothing in this Part requires a sum to be charged to income tax more than once (whether by virtue of this Part or otherwise).
- (2) For the purposes of computing any person's liability for value added tax nothing in this Part affects the treatment of —
  - (a) supplies made to the client, or

- (b) payments made by the client to the third party.
- (3) Any remuneration or dividends paid, and any other distributions made, by a third party to the worker are not chargeable to income tax if (and to the extent that) they have already been charged to income tax as earnings of a deemed employment by virtue of this Part.
- (4) Any sum (other than a fee falling within section 2AD(2)) received by a third party in consideration for, or in connection with, the provision of the worker's services is to be left out of account in computing the third party's liability for income tax.
- (5) Part 16 (differential tax rates: anti-avoidance) of the 1970 Act does not apply to the remuneration which is taken to be that of the worker under section 2AD.
